The best museums in the world.

All connected in one single dot.

Do you represent a museum?

Do you have an interest
or a link with museum work?

Choose your web address with the **.museum** suffix to:

- Support the launch of your museum work on the web
- Highlight your links with the museum community
- Have a digital space to develop your projects
- Protect your brand

Prestige

Associate your work with a gTLD suffix containing a powerful and unambiguous term, dedicated to museum work

Expertise

Legitimize your activity and positioning to be more credible and easily identifiable by your public

Visibility

Have a museum showcase with which to share your works or patronage activities and stand out from the crowd

The procedure

- 1- Go to www.welcome.museum and check the availability of your name
- 2- Select your registrar among those proposed
- 3- Register your web address under the .museum gTLD: it's quick and easy!

The price

Prices are set freely by the registrars, and can include other services (brand protection, hosting, etc.). For this reason, prices vary from one provider to the next.

The average price is about 60 euros per year.
