

Still time to register !!

ICOMCECA is very proud 🏆 to announce a two-day international training session in Tehran 🇮🇷

Museums are educational sources for exploring and understanding cultural heritage, making it an essential platform for learning and sharing knowledge. 🏛️

The two-day international hybrid training session, « Education in Museums », marks the inaugural session in a series of Museology seminars organized by the Research Deputy of Research Institute of Cultural Heritage and Tourism (RICHT) with the ICOM International Committee for Education and Cultural Action (CECA). 🤖

👁️👁️ This program is designed to increase museum professionals' awareness of informal education and the dissemination of knowledge and enhance the culture of education in museums.

● Saturday 2 of March

Topic : The Significance of Education in Museums Moderation: Dr. Mohammad Hekmat / PhD in Museology

● Sunday 3 of March

Topic : Development and Promotion of Museum Education Moderation: Dr. Jebrael Nokandeh, Director of the National Museum of Iran

👉 Submit your attendance request, including your first and last name, phone number, email address, educational qualification, expertise, and affiliation, via email:
