

!! CALL FOR PAPERS !! NOW !!

👉 ICOM-CECA Annual Conference will be held in Athens, Greece 🇬🇷

📅 18 to 22 November 2024.

🟪 Theme is “Delicate topics – Challenging audiences”

👉 The theme covers the following topics but is not limited to:

🟢 Museum education as a tool for discussing complex issues:

Being a refugee, religious conflicts, poverty, multiple identities, traumatic memories, human rights, health issues, marginalized communities, endangered cultural heritage, natural environment at risk, challenges and threats of the virtual world, etc.

🟢 Museum education as a vehicle for alternative interpretations:

Shedding light on hidden, unknown or misinterpreted aspects of material and intangible heritage or artistic creation. challenging mainstream interpretations and encouraging new glances on past and present historical events.

🟢 Catering for the underserved communities and audiences:

Museum education initiatives that ensure accessibility and inclusivity, in the framework of a constantly changing social and cultural landscape. Innovative activities and educational material for historically underserved and marginalized audience groups (the elderly, people with disabilities, the mentally ill, the imprisoned, religious / ethnic or cultural minorities, immigrants, refugees, drug addicts, students requiring particular treatment, etc.).
